Director's Chairs

From Battlefields to Movie Sets to Sidelines - Quality Seating for Over 125 Years

GOLD MEDAL
THE ORIGINAL DIRECTOR'S CHAIR™ - SINCE 1892

The Gold Medal Director's Chair has been in our lineup for over 125 years. Made from American Beech Wood and Cotton Duck Canvas, our director's chairs are designed to last for years to come. As a testament to our quality, many of our customers are still ordering replacement fabric for frames made in the early 20th century. We offer three director's chair series and three seating heights. Choose from our Classic Series - The Original Director's Chair, the economical Contemporary Series, or our strongest chair, the Commercial Series. All are available in 4 finishes, a wide variety of canvas colors, customizable with screen print, embroidery, ThermoFilm, and PhotoFilm - allowing you to add your mascot, team name, or a photo to commemorate a championship team.

Padded Seating

18", 24", or 30" Seating Height - Quality Wood Legs, Upholstered Seat

Hi Top Stools - 15" Top

The Gold Medal Hi-Top Series Barstools are made from select hardwoods, designed to provide years of trouble free use. All joints are glued and pinned for unmatched strength and durability. Upholstered hoods with or without school logo can be stapled on for a permanent solution, or can be held on with elastic for use as a senior gift or fund raising sale. Custom finishing and upholstery is performed in house to ensure quality and a perfect match to your school colors or locker room motif. This is our most popular model for college & pro locker rooms.

Low Top Stools - 13" Top

The Gold Medal Low-Top Series Barstools start with a baseball bat strong base, glued and pinned for strength. Commercial grade vinyl with or without logo is then permanently attached to a commercial grade 13" diameter top. Sports ball shapes are also available for baseball, basketball, soccer, volleyball, and football. The Low-Top Series comes standard in natural finish, but other finishes are available. Great for narrow high school lockers. Available in 18", 24" and 30" Seating Heights.

Hardwood Seating

18", 24", or 30" Seating Height - Quality Wood Legs, Solid Seat

Hardwood Stools - 15" Top

The Gold Medal 6000 Series Hardwood Barstools have been tested in the toughest locker room environments on the planet. The three tiered stretcher design ensures lasting strength at your institution as well. Legs are made out of American Ash and can endure years of use. Top is made from solid hardwood for durability. Available in 3 stock finishes and 3 seating heights. Upholstered hood also available for a custom look. Don't settle for a cheap import - our affordable American made barstools will last for years to come.
